

Evaluación del Desarrollo de la Lectura (EDL) Comparison: What's New?

The first goal of any reading program is to help students become proficient, enthusiastic readers who read for a variety of purposes. Pearson's Evaluación del Desarrollo de la Lectura® (EDL™) offers educators the tools they need to observe and document student reading abilities and inform instruction.

With the second edition, EDL™2+ combines decades of teacher acumen with Pearson's test development strength to provide the premier assessment of good reading behaviors in Spanish. With engaging fiction and nonfiction stories and a brand-new online platform, the EDL2+ is an assessment that meets the high standards of quality and rigor that reading teachers deserve.

View a side-by-side comparison of the evolution of EDL and the benefits you'll enjoy with EDL2+.

What's new about the EDL2+?

EDL2+ offers you the tools you need to observe and document student reading abilities as well as inform instruction.

EDL2+ includes:

- Benchmark Assessment Books
- K–6 Benchmark Assessment Teacher Guide
- Word Analysis Teacher Guide
- Progress Monitoring Assessment Teacher Guide
- Benchmark Assessment Blackline Masters
- Word Analysis Student Assessment Book
- Routine cards
- Directions card
- Student assessment folders
- Hanging file folders

Assessment and intervention

Your comprehensive EDL2+ kit is packaged with ALL assessment components — benchmarking, word analysis, progress monitoring, books, teacher resources, and training/implementation.

Online platform

Assess, score, report, and maintain student records all in one place through EDL2+'s new online platform!

EDL2+'s new consolidated digital offering:

- Provides educators data entry and administration in a new browser-based solution that can be used on any compatible device (e.g., laptop, desktop, or tablet)
- Offers expanded reporting options beyond those available from a paper-only assessment
- Easily captures, stores, and reports EDL2 student data at the student, class, school, district, or even state level

Training

To meet the unique needs of schools and districts, we offer several **training options** covering topics such as benchmarking, progress monitoring, and reports for paper administration or the digital platform.
