The SSIS SEL product family is on Review360!

The SSIS™ Social-Emotional Learning Edition (SSIS SEL) is a comprehensive, evidence-based social-emotional learning system that assesses key CASEL-identified competencies and related social skills to support students' social-emotional health. It is administered individually or to a group of students digitally through Review360® in a matter of minutes.
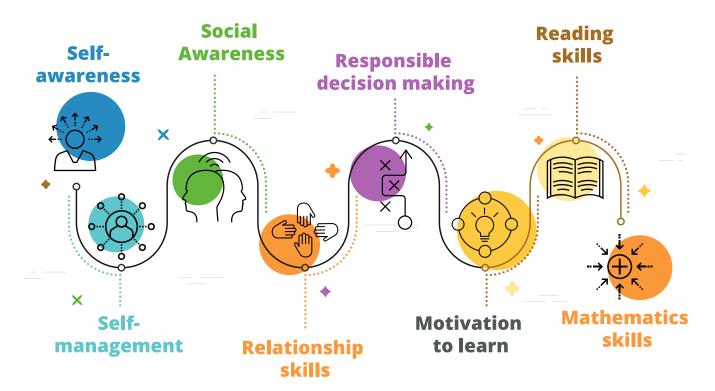

Our two Universal Screening units are offered in English and Spanish. Additionally, it can be used to guide the application of its evidence-based interventions within a multi-tiered framework.

SSIS SEL is 100% aligned to the key CASEL-identified competencies framework.

DID YOU KNOW?

With SSIS SEL you can assess and teach:

- Self-awareness
- Social Awareness
- Responsible decision making
- Reading skills
- Self-management
- Relationship skills
- Motivation to learn
- Mathematics skills

Pearson

SSIS SEL Solution: Integrated System & Aligned Process

- Screening and Assessment can guide Intervention
- Progress Monitoring and Diagnostic Assessment can be used to evaluate performance on each social emotional skill and related competency, and it can also assess overall student outcomes

Universal Screeners	Progress Monitor	Diagnostic Assessment	Intervention
SSIS SEL Brief Scales and/or Brief Scales + *Mental Health* • Student • Teacher • Parent	SSIS SEL Screening & Progress Monitoring Scales • Teacher	SSIS SEL Rating Forms • Student • Teacher • Parent	• SSIS SEH Classwide Intervention Program (SSIS SEH CIP) • SSIS SEH Classwide Intervention Program Tier 2 (SSIS SEH CIP-T2)

Fully Aligned Assessments that Measure the Same Skills Taught in the Intervention Program

The five components to SSIS SEL on Review360

1. **SSIS SEL Brief + Mental Health Scales:** Brief, universal screeners that can be completed by a teacher, parent, or student for social emotional learning skills and/or mental health.

2. **SSIS SEL Screening & Progress Monitoring Scale:** A criterion-referenced teacher-completed form that provides a quick evaluation of an entire class across the five SEL areas. The results are directly aligned with the Skill Units from the Classwide Intervention Program that includes a criterion-referenced assessment of three academic areas, providing guidance that targets interventions to the specific needs of a classroom of students.

3. **SSIS SEL Rating Forms:** More in-depth norm-referenced assessments administered individually and completed by teachers, parents, or students. Results include standard scores, item analysis, and links to suggested Skill Units in the intervention.

4. **SSIS SEH Classwide Intervention Program 2022 (SSIS SEH CIP):** The SSIS SEH CIP 2022 includes 30 Skill Units covering Self-Awareness, Self-Management, Social Awareness, Relationship Skills, and Responsible Decision Making using a highly effective instructional approach with all digital materials (PowerPoints, videos, etc.) to maximize engagement.

5. **SSIS SEH CIP-T2:** The SSIS SEH CIP-T2 is a tier 2 intervention program that builds upon the SSIS SEH CIP for improving social emotional health of students who need extra support beyond what is received in the tier 1 program.

6. **Review360 SEL Professional Development Course:** Review360 includes an online SEL course that assists educators in integrating SEL assessment and instruction into their instructional and support processes. The course is comprised of 13 units that cover a range of relevant topics, including the importance of SEL, how it improves student-teacher and student-student relationships, and strategies for promoting SEL.

We offer a variety of subscription options for the SSIS SEL family of products on Review360.
