Reporting System

ASSIST™ Software Frequently Asked Questions General

How do I access the User's Manual on my software CD?

It is located on the software installation CD-ROM. Insert this CD-ROM into the CD-ROM drive.

Windows® Users:

- Double-click My Computer (or go to Start and then My Computer)
- Right-click on the CD-ROM drive and select Explore
- Double-click on the User's Manual

Macintosh® Users:

- Double-click on the software CD icon on the desktop
- Double-click on the User's Manual

Note: Additional information is also available when you click on the Help button in the Scoring and Reporting Software.
