Noteworthy Responses - The patient's endorsement of the following item(s) is particularly worthy of follow-up by the healthcare team.

Medical Anxiety

Item # 3 Item Content Omitted (True)

Adherence Problems

Item # 5 Item Content Omitted (True)

Special Note:

The content of the test items is included in the actual reports. To protect the integrity of the test, the item content does not appear in this sample report.

End of Report

NOTE: This and previous pages of this report contain trade secrets and are not to be released in response to requests under HIPAA (or any other data disclosure law that exempts trade secret information from release). Further, release in response to litigation discovery demands should be made only in accordance with your profession's ethical guidelines and under an appropriate protective order.
