

with Otis-Lennon School Ability Test*, Eighth Edition

About This Student's Performance:

Darcie recently took the *Stanford Achievement Test, Tenth Edition (Stanford 10)*. This test is one measure of this child's achievement. This report compares this child's performance to students in the same grade across the nation. Percentile Bands show ranges within which this child's true scores likely fall. For example, a student whose Percentile Band spans the 70th percentile performed as well as or better than 70% of students nationally in that subject - but not as well as 30% of students.

The chart below shows this child's performance in each subject area tested.

Lexile measure = 730L
