

The Leader Lives Online

- *The strength of Stanford 10*
- *Ease of administration and reporting*
- *Immediate results*

Streamlined Testing, Scoring, and Reporting

Stanford 10 Online offers the ease of **online testing** with the **reliability** of the *Stanford Achievement Test Series*, Tenth Edition, evaluating student achievement of high academic standards.

Stanford 10 Online

- Determines student achievement in real time
- Engaging for students
- Ease of online administration
- Immediate and reliable data
- Reduces costs and time needed to evaluate student achievement
- No commitment on the part of the school to store, distribute, organize and ship test booklets or answer documents
- Available for grades 3 through 12
- Online testing tools such as rulers, highlighter, calculator, and mathematics reference sheets are included
- Content areas include reading, language, spelling, mathematics, science, and social science
- Proctoring functionality that allows the proctor or teacher to follow the progress of each student

Scoring and Reporting

- Immediate scoring and reporting
- Immediate normative analysis
- 2002 and 2007 norms available
- Reports available for the home (in English or Spanish), student, group, school, and district levels

Online Testing Features

- Minimal computer system requirements
- Online computer system check tool to evaluate student computers for readiness
- Mac® and PC compatible
- Online web-based testing platform requiring minimal bandwidth
- Delivery via an Application Service Provider (ASP) model requiring no additional software or hardware installation
- Secure browser feature ensures security of the test and student data

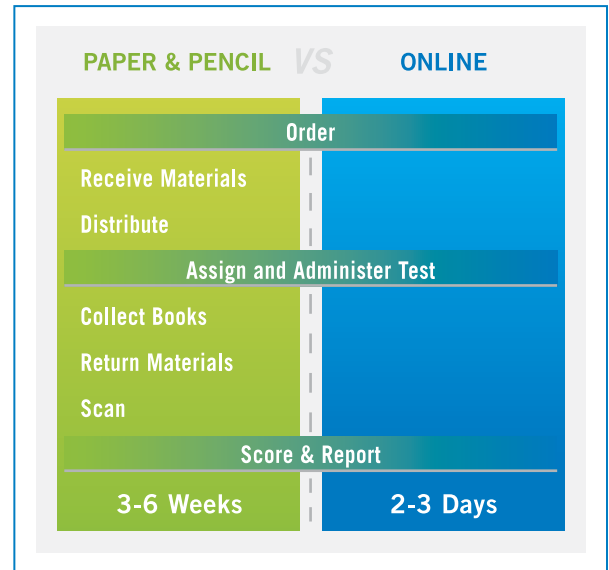

Less time waiting for results provides teachers with more time for focused instruction.

Everything needed to test is included in one price:

- Directions for Administering
- Practice Tests
- Tutorials
- Test
- Tools
- Score reports
- Frequently Asked Questions (FAQs)
- Online technical support
- Implementation services
- Automated system check
- Secure Pearson browser
- Online report training

The strength of the *Stanford Achievement Test Series*

- The standard of achievement testing for over 80 years
- Valid and reliable evaluations trusted by the education community
- Peer-reviewed and scientifically based content and normative standards
- Grade-appropriate content reflecting current state and national standards
- Easy-hard-easy question format – items arranged to facilitate student engagement and test completion
- Materials to support interpretation, instruction, and parent communication

Paper & Pencil vs Online Comparison

Administrators and teachers will obtain reliable data to evaluate progress toward meeting the challenges set forth by the No Child Left Behind Act and national and state standards. Teachers will be able to identify and help children who are at risk of being left behind. Schools will realize cost savings by eliminating the additional overhead of traditional paper-and-pencil assessment systems. Parents will understand what their children know and how they can help apply that knowledge.
