

PCAT Sixth Registration or More Checklist

Because you are attempting to register for your sixth or more PCAT, you may be either required to submit a written request for an additional testing session along with documentation to support your request or you may not be allowed to take the PCAT at all. Acceptable forms of documentation include:

- A copy of a completed and submitted application to a pharmacy school or to PharmCAS for the upcoming academic year and a transaction confirmation from the institution.

OR

- A letter on official school letterhead stationery from a pharmacy school advisor, administrator, or faculty member verifying that you are applying to a pharmacy school for the upcoming academic year. Your advisor, administrator, or faculty member must also recommend that you take the PCAT.

Contact PCAT Customer Relations at scoring.services@pearson.com with questions on this policy.

Use the checklist below to:

- Review the policies in the online Candidate Information Booklet (CIB).
- You **must** provide the required documentation by the "Late Registration Deadline," or you will not be allowed to register for or take the PCAT.
- Pearson **strongly encourages** all candidates who are required to submit documentation to do so before the "Late Registration Deadline" to ensure that you are able to test.
- Pearson will review and respond to your written request and documentation within 10 business days of receipt.
- Ensure that the documentation submitted meets the criteria listed in the CIB. If the documentation you submit is not acceptable, and you do not send in any further documentation that is acceptable, you will not be allowed to test.
- Review the cancellation policy and deadline.
