

Scales of Infant and
Toddler Development™
Fourth Edition

Training and Professional Development

Pearson has made significant improvements to the Bayley Scales of Infant and Toddler Development™, Fourth Edition (Bayley™-4) and the Bayley Screening Test, Fourth Edition. Below are workshop and webinar options that will ensure your team is ready to administer these assessments.

Bayley-4 Overview

Half-day webinar: \$1,200

- Recommended for those who are new to Bayley and need an overview of the test
- Less focus on administration of performance items (Motor, Language, Cognition)

Bayley-4 Administration, Scoring, and Basic Interpretation

Full-day in-person workshop: \$3,500

- Recommended for all new users
- Paper/pencil and/or digital application
- Not available in webinar format

Bayley-4 Advanced Use

Full-day in-person workshop: \$3,500

- Recommended for returning users and those who frequently administered Bayley-III
- More in-depth analysis of items, scales, interpretation
- Not available in webinar format

Bayley-4 Online Independent Study Training Program

\$150.00 per person

- Recommended for experienced Bayley-III users and new users
- Includes modules on general administration guidelines; administration and scoring of items on Cognitive, Language, and Motor scales; administration and scoring of Questionnaire; and interpretation of results
