Brief Battery for Health Improvement 2

## BIBLIOGRAPHY

BHI™ 2 (Battery for Health Improvement 2) | BBHI™ 2 (Brief Battery for Health Improvement 2)

### August 2009

- Bruns, D. (1998). Psychologists as primary care providers: A paradigm shift. *The Health Psychologist*, 20(4), 19.
- Bruns, D. (1999). Medical treatment, moral dilemmas, and integrated primary care. *The Health Psychologist*, 21(2), 8.
- Bruns, D., Disorbio, J. C., & Disorbio, J. M. (1996). Assessments of psychological risk factors in injured patients. *AADEP*, 5(3), 25–36.
- Bruns, D., & Disorbio, J. M. (2000). Hostility and violent ideation: Physical rehabilitation patient and community samples. *Pain Medicine*, 1(2), 131–139.
- Bruns, D., & Disorbio, J. M. (2006). Chronic pain and psychosocial disorders: The BHI 2 approach to classification and assessment. *Practical Pain Management*, 5(7), 52–61.
- Bruns, D., & Disorbio, J. M. (2009). Assessment of biopsychosocial risk factors for medical treatment: a collaborative approach. *Journal of Clinical Psychology in Medical Settings*, 16(2), 127–147.
- Bruns, D., Disorbio, J. M., Bennett, D., Simon, S., Shoemaker, S., & Portenoy, R. K. (2005). Degree of pain intolerance and adverse outcomes in chronic non-cancer pain patients. *Journal of Pain*, 6(3-S), s74.
- Bruns, D., Disorbio, J. M., et al. (2003). Chronic nonmalignant pain and violent behavior. *Current Pain and Headache Reports* 7(2), 127–132.
- Bruns, D., Disorbio, J. M., & Hanks, R. H. (2007). Chronic pain and violent ideation: Testing a model of patient violence. *Pain Medicine* 8(3), 207–215.
- Bruns, D., & Johnson, R. (1999). Understanding the opportunities of integrated primary care. *The Health Psychologist*, 21(1), 14, 19.
- Davis, Fred N. (1999). Functional rehabilitation of employees with chronic musculoskeletal pain. *The Case Manager*, 10(3), 55–59.
- Devlin, K. J., Ranavaya, M. I., Clements, C., Scott, J., & Boukhemis, R. (2003). Pre-surgical psychological screening in spinal cord stimulator implants. *Disability Medicine*, 3(2), 43–48.
- Disorbio, J. M., Bruns, D., & Barolat, G. (2006). Assessment and treatment of chronic pain: A physician's guide to a biopsychosocial approach. *Practical Pain Management*, 6(2), 11–27.

Fishbain, D. A., Bruns, D., Disorbio, J. M., & Lewis, J. E. (2007). What patient attributes are associated with thoughts of suing a physician? *Archives of Physical Medicine Rehabilitation*, 88(5), 589–596.

Fishbain, D. A., Bruns, D., Disorbio, J. M., & Lewis, J. E. (2008). What are the variables that are associated with the patient's wish to sue his physician in patients with acute and chronic pain? *Pain Medicine*, 9(8), 1130–1142.

Fishbain, D. A., Bruns, D., Disorbio, J. M., & Lewis, J. E. (2009). Correlates of self-reported violent ideation against physicians in acute- and chronic-pain patients. *Pain Medicine*, 10(3), 573–585.

Fishbain, D. A., Bruns, D., Disorbio, J. M., & Lewis, J. E. (2009). Risk for five forms of suicidality in acute pain patients and chronic pain patients vs. pain-free community controls. *Pain Medicine*, 10(6), 1095–1105.

## Presentations

- Brendel, J., Bruns, D., & Disorbio, J. M. (2004, September). *Percutaneous disc decompression catheter: Preliminary outcome results*. Paper presented at the meeting of the International Spinal Injection Society, Maui, HI.
- Bruns, D. (2002, October). *The assessment of delayed recovery in upper extremity injuries*. Paper presented at "In Search of MMI" conference, Genesee, CO.
- Bruns, D. (2003, November). *The assessment of psychological risk factors in delayed recovery*. Paper presented at Colorado Division of Worker Compensation Medical Treatment Guidelines Seminar, Broomfield, CO.
- Bruns, D. (2005, November). *Psychological issues with chronic pain and delayed recovery*. Continuing medical education seminar for physicians sponsored by the Montana state government, Helena, MT.
- Bruns, D. (2006, March). *Psychological evaluation of medical patients with the Battery for Health Improvement 2*. Paper presented at the California Psychological Association annual convention: Pre-conference workshop, San Francisco, CA.
- Bruns, D., & Disorbio, J. M. (1998, August). *Violent ideation in medical patients in four insurance systems*. Paper presented to a meeting of the 1998 American Psychological Association, San Francisco, CA.
- Bruns, D., & Disorbio, J. M. (2000, August). *0–10 Pain scale norms for head injured and orthopedic patients*. Paper presented to a meeting of the American Psychological Association, Washington, DC.
- Bruns, D., & Disorbio, J. M. (2000, November). *Chronic pain patients risk for violent behavior: Evaluation and management in the pain facility setting*. Symposium presentation to a meeting of the American Pain Society, Atlanta, GA.
- Bruns, D., & Disorbio, J. M. (2000, August). *Development of a BHI faking index*. Paper presented to the American Psychological Association, Washington, DC.
- Bruns, D., & Disorbio, J. M. (2000, February). *Violent ideation in physical rehabilitation patients*. Paper presented at the 16th annual meeting of the American Academy of Pain Medicine, New Orleans, LA.
- Bruns, D., & Disorbio, J. M. (2002, February). *The assessment of outcomes in pain treatment*. Paper presented at the First Annual Update on Advanced Interventional Pain Management at Cedars-Sinai Medical Center, Beverly Hills, CA.
- Bruns, D., Disorbio, J. M., Bennett, D. B., Simon S., Shoemaker S., & Portenoy, R. K. (2005, March). *Degree of pain intolerance and adverse outcomes in chronic noncancer pain patients*. Paper presented at the American Pain Society National Conference, Boston, MA.
- Bruns, D., Disorbio, J. M., & Disorbio, J. C. (1998, April). *Psychophysical assessment of the injured patient: Planning for treatment and management*. Paper presented to a workshop for the 29th Annual Meeting of the Association for Applied Psychophysiology and Biofeedback, Orlando, FL.
- Bruns, D., Disorbio, M., & Gaffney, K. (1995). *Management of psychosocial factors in worker's compensation injury and illness cases*. Paper presented to a workshop for the Rocky Mountain Academy of Occupational and Environmental Medicine, the 30th Annual Conference on Occupational Medicine, Denver, CO.
- Bruns, D., Disorbio, M., & Gaffney, K. (1995). *Psychosocial factor assessment*. Paper presented to Rocky Mountain Academy of Occupational and Environmental Medicine, the 30th Annual Conference on Occupational Medicine, Denver, CO.
- Disorbio, J. M., Bennett, D., & Bruns, D. (2000, July). *Presurgical evaluation of patients considered for neural blockade and dorsal column stimulator procedures*. Paper presented to the Pain 2000 Worldwide Conference, San Francisco, CA.
- Disorbio, J. M., & Bruns, D. (1998, August). *Psychological profiles of rehabilitation patients reporting childhood sexual abuse*. Paper presented to a meeting of the 1998 American Psychological Association, San Francisco, CA.

Disorbio, J. M., & Bruns, D. (1999, August). *Diagnosis specific norms for the 0–10 pain scale*. Paper presented to the World Congress, Vienna, Austria.

Disorbio, J. M., & Bruns, D. (2000, July). *Abuse, violence and chronic pain*. Symposium presentation for the Pain 2000 Worldwide Conference, San Francisco, CA.

Disorbio, J. M., & Bruns, D. (2000, March/April). *Assessment and treatment of psychological factors in medical patients*. Workshop presented at the 31st annual meeting of the Association for Applied Psychophysiology and Biofeedback, Denver, CO.

Disorbio, J. M., & Bruns, D. (2000, February). *Diagnosis specific norms for the 0–10 pain scale*. Paper presented at the 16th annual meeting of the American Academy of Pain Medicine, New Orleans, LA.

Disorbio, J. M., & Bruns, D. (2000, July). *Psychometric testing of the chronic pain patient*. Paper presented to the Pain 2000 Worldwide Conference, San Francisco, CA.

Disorbio, J. M., & Bruns, D. (2003, March). *The relationship of sexual abuse and violence to chronic pain*. Paper presented to a meeting of the American Academy of Pain, Denver, CO.

Freedendfeld, R. N., Bailey, B. E., Bruns, D., Fuchs, P. N., & Kiser, R. S. (2002). *Prediction of interdisciplinary pain treatment outcome using the Battery for Health Improvement*. Paper presented to the World Congress on Pain, San Francisco, CA.
