The **Digital Assessment Library for Schools (DALs)** is an annual site license that provides the entire district access to a library of more than 40 assessments used by school psychologists, speech language pathologists, education diagnosticians, special education teachers, occupational therapists, physical therapists, and more. This breadth of assessments is here to help you handle any referral request that comes your way.

- KEY:**
- Digital Assessment Library
  - Digital Assessment Library PLUS
  - Spanish Test Options
