

Teacher Participation

Selecting a teacher who knows your child best is key. Follow this checklist to help you identify the right teacher to participate.

☐

Does the teacher interact with your child daily?

☐

If not daily, does the teacher interact with your child several days a week?

☐

Is the teacher prompt in responding to past communications?

☐

Does the teacher have a positive relationship with your child?

Next Steps

1

Provide the teacher's email to the Examiner.

2

Let the teacher know that they will be receiving an email to complete a form about your child.

3

Provide the examiner's contact information to the teacher for any questions they may have.

*Thank you for your support
and participation in our
assessment research!*
