

Help shape the future of assessments

Join this testing opportunity and earn money!

Pearson Clinical Field Research is seeking participants to join in an exciting opportunity to help update a widely used language ability assessment! Participants will receive compensation and play a vital role in shaping a test that will benefit culturally and linguistically diverse groups for generations to come.

About Pearson

Pearson is the world's leading lifelong learning company, serving customers in nearly 200 countries. With over 80 years of experience in the clinical testing field, Pearson's Assessment group offers innovative measures and resources that support clinical professionals and those they are called to serve. We are particularly recognized for our assessment contributions in cognitive/ability, memory, behavior, achievement, and speech/language.

Participant involvement

Selected individuals aged 5 to 21 will work one-on-one with a qualified examiner at a mutually agreed upon time and location. **Participants will earn a \$90 digital gift card by taking part in a 2 to 2 1/2 hour testing session.** Participants will be asked to complete various tasks, including looking at pictures, listening to sentences, answering questions, memory exercises, and other engaging activities!
