

Parent Education Average Table: WISC-6 Standardization

Use this table to determine a candidate's calculated parent/guardian education level based on the education levels reported for Parent/Guardian #1 and Parent/Guardian #2.

		Parent/Guardian #1				
		8th Grade or Less	Attended High School but No Diploma	High School Diploma or GED	Some College or Associate Degree	Bachelor's Degree or Higher
Parent/Guardian #2	8th Grade or Less	1	2	2	3	3
	Attended High School but No Diploma	2	2	3	3	4
	High School Diploma or GED	2	3	3	4	4
	Some College or Associate Degree	3	3	4	4	5
	Bachelor's Degree or Higher	3	4	4	5	5

1: 8th Grade or Less **2:** Attended High School but NO Diploma/GED **3:** High School Diploma/GED
4: Some college or Associate's degree **5:** Bachelor's degree or Higher

Example:

If **Parent/Guardian #1** reports **High School Diploma or GED** and **Parent/Guardian #2** reports **8th Grade or less**, find the intersection of those two categories in the table. The resulting **Candidate Education Level** is **2: Attended High School but NO Diploma/GED**
