

Parent Education Average Table: BASC-4 CPT Standardization

Use this table to determine a candidate's calculated parent/guardian education level based on the education levels reported for Parent/Guardian #1 and Parent/Guardian #2.

		Parent/Guardian #1			
		No High School Diploma or GED equivalent	High School Diploma or GED	Some College or Associate Degree	Bachelor's Degree or Higher
Parent/Guardian #2	No High School Diploma or GED equivalent	1	2	2	3
	High School Diploma or GED	2	2	3	3
	Some College or Associate Degree	2	3	3	4
	Bachelor's Degree or Higher	3	3	4	4

1: NO High School Diploma/GED **2:** High School Diploma/GED
3: Some college or Associate's degree **4:** Bachelor's degree or Higher

Example:

If **Parent/Guardian #1** reports **High School Diploma or GED** and **Parent/Guardian #2** reports **Some College or Associate Degree**, find the intersection of those two categories in the table. The resulting **Candidate Education Level** is **3: Some College or Associate Degree**.
