

# Help shape the future of assessments

Take part in a paid testing opportunity with real impact

Pearson Clinical Field Research is seeking participants for an important testing opportunity to help update a widely used measure of adaptive behavior.

Those who take part will receive compensation and play a vital role in shaping an assessment that reflects real-world experiences and supports fair, balanced outcomes for culturally and linguistically diverse groups.

## About Pearson

Pearson is the world's leading lifelong learning company, serving customers in nearly 200 countries. With over 80 years of experience in the clinical testing field, Pearson's Assessment group offers innovative measures and resources that support clinical professionals and those they are called to serve. We are particularly recognized for our assessment contributions in cognitive/ability, memory, behavior, achievement, and speech/language.

## Eligibility

Participation helps make assessments more inclusive, fair, and representative. Pearson Clinical Field Research welcomes individuals from a wide range of backgrounds.

**To be eligible, individuals must meet the following criteria:**

- **Age:** 0–64 years
- **Language:** Able to understand and respond to items in English
- **For ages 16–64:** have a paid job or consistent volunteer role of at least 10 hours per week for a minimum of 3 months

## What to expect

Participants complete either a digital questionnaire or a one-on-one interview with a qualified examiner at a mutually agreed upon time and location.

The time commitment is approximately **1–2 hours**.

Compensation is a **\$175–\$150** digital gift card.

## Contact me for more information

Do you know someone who meets the criteria we're looking for?

**Share this opportunity with a friend/colleague!**
