

PARTICIPANTS NEEDED

Caregivers of Children Ages 0-3

TEST AND EARN MONEY!

Pearson Clinical Field Research invites caregivers of children ages 0-3 to participate in a meaningful research study!

Help test a new version of an assessment that measures **everyday living skills**.

WHAT TO EXPECT

- One-on-one interview with a qualified examiner
- 1½–2 hour interview
- Earn a **\$150** digital gift card
- Questions focus on everyday skills (movement, play, interaction)

YOUR CHILD MAY BE ELIGIBLE IF:

- Aged 0-3 years
- Have a diagnosed condition or disability that affects daily activities (such as physical, sensory, developmental, genetic/chromosomal, or mental/behavioral impairments)

*Participants will not receive a diagnosis or test results.
All information is used for research purposes only.*
