

# PARTICIPANTS NEEDED

**AGES 6 TO 16**

**TEST AND EARN MONEY!**

Pearson Clinical Field Research invites you to take part in a unique and rewarding research opportunity! Children ages 6 to 16 are needed to test drive the latest revision of a widely used intelligence assessment. Help us ensure the assessment is reliable and accurately represents your community!

## PARTICIPATION DETAILS

Meet one-on-one with a qualified examiner at a mutually agreed time and location

Complete a 2½–3 hour testing session and earn a **\$120–\$145** digital gift card

Complete interactive activities: solving puzzles, memory games, picture matching, answering questions, problem-solving challenges, and other engaging activities!

Participants will not receive a diagnosis or test result interpretation. All the data collected is used for research purposes only.

## CHILDREN WITH THE FOLLOWING CLINICAL DIAGNOSES OR CHARACTERISTICS MAY BE ELIGIBLE TO PARTICIPATE:

Intellectually gifted  
Mild-Moderate intellectual disability  
Specific learning disorder-reading, written expression and/or math  
Attention-deficit/hyperactivity disorder  
Traumatic brain injury

Autism spectrum disorder with or without language impairment  
Language disorder with receptive or expressive impairment  
Motor impairment  
English learners

**INTERESTED IN PARTICIPATING? CONTACT ME FOR MORE INFORMATION!**
