

WISC-6 Standardization Final Stretch Bonus -Paper

Earn an additional \$100 Bonus for you and your candidate

As we enter the final phase of WISC-6 Standardization data collection, we are offering a limited-time **Final Stretch Bonus** to help fill our most critical remaining sample needs for the **paper collection**.

Bonus Details

Beginning August 21, 2026, examiners can receive a \$100 bonus for each qualifying, usable WISC-6 paper test. Candidates will also receive a \$100 bonus for each qualifying completed test.

This bonus applies to assignments in the following **WISC-6 paper studies**:

- Typically Developing WISC-6 Standardization
- Intellectually Gifted Study
- Mild Intellectual Disability (ID) Study
- Moderate Intellectual Disability (ID) Study

Bonus opportunities are limited and available on a first-come, first-served basis. To qualify, the completed test must be usable and meet all study eligibility requirements.

Reminders

- Review the Candidate Criteria on the [Examiner Hub](#) to confirm your candidate is eligible. The Intellectually Gifted and Intellectual Disability (ID) studies require scores to be entered in the candidate portal.
- Screen all assigned candidates before testing and confirm ethnicity and average parent education levels using the [Parent Education Average Table](#).
- Changes or discrepancies on the candidate demographic form, including changes to ethnicity, education level, diagnoses, medications, or services, may make the assignment *ineligible* for the bonus.
