

This file includes embedded audio files required for administration. These audio files must be accessed or downloaded using a free third-party PDF viewer such as Acrobat Reader®.

Follow these steps for an accurate and successful administration of the WISC-6 Standardization:

Step 1: Click the audio link () below to show/hide the Attachments panel.

Step 2: Save the audio files from the Attachments panel to your device (e.g., an MP3 player, a computer, or a smartphone) for use during administration.

Step 3: Use **QuickTime®**, **iTunes®**, or **Windows® Media Player** to play the audio files.
