

Limited-time WISC-6 Teen Bonus opportunity

Great news! For a limited time, we are offering an additional **\$50 bonus for both the examiner and the examinee** when you recruit and complete digital testing with one of our *needed* typically developing **13–16-year-old candidates**.

To receive this bonus:

1. The assignment will qualify if the candidate is **ages 13–16** and has a **digital WISC-6** assigned. We have a limited number of openings, and bonus opportunities are available on a first-come, first-served basis.
2. The assignment must be completed and received by Pearson by **September 14**.
3. The completed test must be **usable** for the examiner to receive the bonus.

Pay rates with \$50 BONUS:

Assignment*	Examiner Pay	Examinee Pay
WISC-6: Digital	Current \$250 → New \$300	Current \$100 → New \$150
WISC-6: Digital: average parent education of 8th grade education	Current \$275 → New \$325	Current \$125 → New \$175

**The bonus is only applicable towards the WISC-6 digital test.*

REMINDERS

- Please review the Candidate Criteria on the [Examiner Hub](#) to confirm your candidate is eligible.
- Screen all assigned candidates before testing and confirm ethnicity and average parent education levels using the [Parent Education Average Table](#).
- Discrepancies on the candidate demographic form, including changes to ethnicity, education level, diagnoses, medications, or services, may make the assignment *ineligible* for the bonus.

Thank you for your support of the WISC-6 Standardization! If you have any questions, contact us at FRExaminerSupport@pearson.com.
