

Fees and Special Services

- All PCAT fees are listed in the “PCAT Fee Schedule” at www.PCATweb.info.
- All PCAT fee payments are processed immediately upon receipt.
- Processing of fee payments **does not** ensure that you will receive your preferred testing date, time, or location or be admitted to the test.
- If your registration does not meet the requirements in the most recent version of the CIB on the PCAT website, your registration with Pearson and your scheduling with Pearson VUE may be canceled.
- All PCAT fees are subject to change without notice.

Requesting Additional Official Score Reports

- PCAT scores are available for reporting up to 5 years after your test date.
- Your PCAT Registration Fee includes access to your PCAT score for one year from your exam date.
- If you need to purchase another copy of your Official Score Report, log in to your PCAT account at www.PCATweb.info and select “Score Report” from the top menu.
- You will be able to view your additional Official Score Report online for one year from the date of purchase.

Requesting Additional Official Transcripts

- Additional Official Transcripts may be requested by logging in to your PCAT account at www.PCATweb.info and selecting “Transcripts” from the top menu. You must pay a fee for each Official Transcript recipient request made **after** you submit your registration. If you chose not to designate three score recipients when you registered or if you wish to add additional score recipients, you **must** pay the fee for each additional recipient requested.
- Pearson will send additional Official Transcripts within two weeks of the receipt of your request.
- If your request for additional Official Transcripts is received during a PCAT testing window, it will be processed when scores are released. It takes approximately 2 to 3 weeks from the date you mail your request for the school to receive your Official Transcript and get it to the proper department. Check with the school to ensure that the Official Transcript was received.
- If your selected school is part of the PharmCAS network, your transcript will be sent electronically to PharmCAS only, not directly to your school.
- Up to five previous tests earned within 5 years prior to the date that Official Transcripts are requested will be included, with percentile ranks earned before July 2020 converted to equivalent current percentile ranks.
- Scores more than 5 years old, invalidated scores, or test results when the “No Score Option” is chosen are not reported.

Verifying Your Scores

Before you request a verification (for the four multiple-choice subtests) or rescore (for the Writing subtest), please note:

- Official Scores must be released before you can submit your verification or rescore request.
- Pearson’s scoring methods are highly reliable and accurate. Rarely does rescoring the multiple-choice subtests or the Writing subtest result in a score change.
- The Verification Fee does **not** entitle you to a copy of the test items or your essay.
- If a score changes as a result of rescoring your multiple-choice subtests, your corrected Official Score Report will be available online, corrected Official Transcripts will be sent to any institutions you had requested, and you will be reimbursed for the Verification Fee payment.
- Please allow 10 business days for rescoring of multiple-choice subtests.

- If rescoring your Writing subtest results in a score that is either higher or lower than your original score, you will not be reimbursed due to the processing fees incurred by Pearson. However, a corrected Official Score Report will be available online, and corrected Official Transcripts will be sent to any institutions that you had requested.
- To have your multiple-choice scores verified by rescoring and/or your Writing subtest rescored, log in to your PCAT My Profile, and click “Request Score Verification” next to the test date of the exam you wish to have rescored. Follow the prompts to choose multiple-choice or essay rescoring.

All requests and fees must be received no later than 60 days following the date scores are released.
