

Scheduling Your Test

Scheduling With a Pearson VUE Test Center

- It is strongly suggested that within 24 hours of receiving your Registration Confirmation email, you schedule your preferred testing date, time, and location to take the PCAT at a Pearson VUE Test Center. If you delay scheduling with Pearson VUE, you are less likely to get your preferred testing date, time, or location. Please note that you cannot schedule an appointment with Pearson VUE until you have received your registration confirmation.
- To schedule your preferred testing date, time, and location, go to www.pearsonvue.com/pcat, click the “Scheduling” drop-down, and then click “Schedule Online.”
- Be sure to have your PCAT CID available because you will need it to schedule.
- If this is your first time taking the PCAT, you will need to click “Create account” to verify your personal information and then create a user name and password within the Pearson VUE scheduling site. You will receive a web account confirmation email when you finish this process.
- If you have previously taken the PCAT, enter your Pearson VUE user name and password to schedule your preferred testing date, time, and location. Please note that this may be a separate login from the one you used to register and pay for your exam.
- After you have logged in, you must first confirm that your personal information is displayed correctly. This information is not editable through Pearson VUE. Your email address can be corrected when logged in to your PCAT account. Any other corrections should be requested through Pearson PCAT Customer Relations at Scoring.Services@Pearson.com.
- Click the “PCAT: Pharmacy College Admission Test” link and then click “Schedule this Exam” to schedule your preferred testing date, time, and location. Proceed through the on-screen instructions to select your testing date, time, and location. Please take sufficient time to carefully read the check-in policy and the cancellation policy before finalizing your selections.
- If you are having difficulty scheduling your exam, please immediately contact the Pearson VUE call center at 1-866-508-8836.
- If you are requesting any special accommodations, you must receive approval from PCAT Customer Relations prior to scheduling with Pearson VUE. When approved, go to www.pearsonvue.com/pcat to schedule your preferred testing date, time, and location, and to ensure that you receive your approved accommodations.
- We strongly suggest that you review the Pearson VUE tutorial and practice exam at www.pearsonvue.com/athena prior to testing at a Pearson VUE Test Center.

Scheduling Confirmation

- After you have successfully scheduled your preferred testing date, time, and location with Pearson VUE, you will receive an Appointment Confirmation email.
- This email contains your confirmed date, time, exact testing location, directions to the Pearson VUE Test Center, and the testing rules.
- It is recommended that you print and bring this confirmation with you to the Test Center on your test day.
