iPad Mini (2019)	✓			X**
12.9 in iPad Pro	✓			X**
10.5 in iPad Pro	✓			X**
9.7 in iPad Pro	✓		✓	

* When obtaining new hardware, we recommend purchasing the most recent version of the iPad. This will improve the performance of the Assess app and increase the time until the device needs to be replaced.

** Not supported because the psychometric impacts of displaying stimuli on a larger or smaller screen are unknown.
