1. License Grant.

This is a legal agreement concerning Q-interactive and is between You, either as an individual or business entity (and any Authorized Users) and NCS Pearson, Inc. An Authorized User is any user that has been given authority to use the account by the Customer. This Agreement supersedes and replaces any prior proposal, representation, or understanding You may have regarding Your use of the Q-interactive system. NCS Pearson, Inc. (hereinafter called "Pearson") grants to You, the undersigned customer (hereinafter called "You or Your"), a personal, non-transferable, nonexclusive license to use the Q-interactive Assessment Creation, Scoring and Reporting System product ("Q-interactive") to enable administration, scoring, and reporting individual assessments published by Pearson that are selected subtests of selected Pearson assessments which, may be modified from time to time (collectively the "Test(s)") and retention of examinee data during the term of this Agreement. Q-interactive displays Test instructions and items for onscreen Test administration or data entry, Test-related manuals, and related user documentation, Q-interactive coordinates Your access to specific Test(s) procured by You from Pearson and based on the data input and the report selected by You, generates Test-specific score reports that will only include raw and scaled scores, index scores, and index comparison scores ("Reports") delivered through Q-interactive. Q-interactive also provides You with an opportunity to export Your examinee data to Your desktop or to retain the examinee data in files on Q-interactive.

If your access and usage of Q-interactive is governed by a Digital Assessment Library license, the terms of those licenses may be updated from time to time. The current license agreement can be found here [Digital Assessment Library for Schools Digital Assessment Library License Agreement](#) [Digital Assessment Library for Healthcare Digital Assessment Library for Healthcare License Agreement](#) Acceptance of this terms and conditions also confers acceptance of the aforementioned licenses, if they are applicable to You.

2. Term

The term of this Agreement begins on the date this Agreement is electronically accepted by You or when You use Q-interactive and will continue, except as otherwise provided in this Agreement, unless or until terminated by either party.

3. Orders and Payment.

All orders for Test(s) and administrations, scoring, and Reports through Q- interactive ("Administrations") during the term of this Agreement are subject to acceptance by Pearson, in its discretion, and will be fulfilled subject to Pearson's Qualification requirements (click on the following link to view [Qualification Requirements](#)) and those sections regarding Geographical Embargoes and Restrictions, Use of Product, Copyright and Trade Secrets, and Test Security contained in Pearson's Terms of Sale and Use (click on the following link to view [Terms and Conditions of Sales and Use](#)) and this Q-interactive License. To use the system, You will need to purchase an annual subscription to Q-interactive.

Q-interactive allows for two types of Subscription Licenses; each with different pricing schedules:

1. Pay as You Go for Usage
2. Pay for Usage

Subscription pricing is set out in the attached Subscription Pricing Schedules A and B which are incorporated herein by reference. Your Subscription fee only allows you access to the Q-interactive system. Your order for Test administrations allows you access to the Test(s) Administrations and scoring or reporting. You agree to pay all applicable charges for Test Administrations or Reports, together with any applicable taxes. Unless otherwise specified by Pearson, charges are due and payable within thirty (30) days of invoice.

4. Use of the Test(s) and Q- interactive.

You agree to use the Test(s) and Q-interactive (a) in accordance with this License and in accordance with all federal, state and local laws and regulations and (b) for the number of Administrations You have purchased from Pearson. You also agree to only use Q- interactive on devices that conform to Pearson's then-current published electronic operating environment specifications. Each Authorized User must maintain individual user credentials for accessing Q-interactive, which shall not be shared with, or transferred to, any other individual. The confidentiality of these credentials is the sole responsibility of the Authorized User. Any sharing or transfer of user credentials may result in termination of the license and/or legal actions. It is imperative to ensure secure and authorized use of the Q-interactive system, respecting the integrity and security protocols stipulated by Pearson. You agree that Pearson may install any Q-interactive Maintenance Release at no additional charge. You understand and agree that Pearson's Test(s) and Q-interactive are meant to be used as tools to supplement You in the overall assessment process, and are not intended or designed to be used alone or replace Your professional judgment. Use of psychological tests in employment-related situations may be subject to certain laws including Title VII of the Civil Rights Act of 1964, as amended; the Americans With Disabilities Act of 1990, as amended; and other federal, state, and local laws and regulations. You shall not grant sublicenses, assign or transfer (including transfer by rental) Q-interactive or use Q-interactive to benefit any third party without the prior written consent of Pearson.

5. Protection of Test(s) and Operating System.

The Test(s) and the Q-interactive operating system are the proprietary property of Pearson and contain trade secrets, copyrighted works and, in certain cases, patented intellectual property, owned by Pearson

and/or its licensors. The placement of a copyright notice on any portion of the Test(s) or Q-interactive does not mean that they have been published and will not derogate any claim by Pearson of trade secret protection. Title to the Test(s) and Q-interactive and copies thereof, and all intellectual property rights protecting the Test(s) shall remain with Pearson and/or its licensors and Q-interactive shall remain the property of Pearson.

In the event You implement a single sign-on solution to allow You or Your Authorized Users access to Q-interactive, it is your responsibility to implement appropriate safeguards regarding access to Q-interactive through your chosen single sign-on provider, such as appropriate password rotations and Multi-Factor Authentication.

6. Examinee Data.

YOU ARE ADVISED TO EXPORT AND SAFEGUARD YOUR IMPORTANT DATA AND BACK UP IMPORTANT INFORMATION FREQUENTLY. You understand that You may be allowed to export Your examinee data at any time. If You choose to store examinee data on Q-interactive, Pearson will regularly backup the examinee data stored in the Q-interactive data base and will securely store these backups.
