

Q-global®

Free Access to 100+ Digital Manuals & Stimulus Books in Q-global's Digital Resource Library

In an effort to help where we can during COVID-19, we are providing free access to all of our digital manuals and stimulus books currently on Q-global®. Take a look at the growing list of digital assets that are available so you can begin planning.

To view these resources, login to Q-global and click on the "Resource Library" tab in the top navigation bar. Select the "Test Folder" and then open the "Restricted Folder". You will then see the free trial assets associated with that test.

Those who don't have a Q-global account can still get access to all of these digital assets! First, reach out to your organization to make sure someone is not already a Q-global account holder and if they are, they can add you at no cost. If your organization is not using Q-global, call our customer support line at 800-627-7271 or use our contact form. Let them know that you want access to our free Q-global Resource Library. We'll work with you to set up the access in the best way for your organization.

For more information, visit pearsonassessments.com/telepractice

Below is the current list of digital assets available on Q-global's Resource Library:
