

Using WAIS-5 and WMS-5 Together for Maximal Diagnostics

Presented by: Kelly Lee, PhD
Dates: Thursday, December 18, 2025
Time: 12:00 p.m. – 3:45 p.m. ET
Delivery method: Live webinar
Instructional level: Intermediate
Sponsored by: NCS Pearson, Inc.

Course Description

This webinar offers advanced techniques and best practices for administering the WAIS-5 and WMS-5. It covers the intricate overlap and relationship between these measures, which enhances diagnostic accuracy. The session includes advanced methods for interpreting ability-memory analyses and explores multifaceted clinical scenarios through detailed case studies.

Learner Outcomes

After completing this learning track, participants will be able to:

1. Identify new components, test structure, and general administration of the WAIS-5 and WMS-5
2. Analyze the overlap and the relationship between the WAIS-5 and WMS-5
3. Develop methods for interpreting ability-memory analyses
4. Examine and synthesize interpretation factors when using the WAIS-5 and WMS-5 together
5. Apply knowledge of WAIS-5 and WMS-5 interpretation through detailed case studies

Time-ordered Agenda

10 minutes	Introduction
10 minutes	General administration of the WAIS-5 and WMS-5
30 minutes	WAIS-5 overview
30 minutes	WMS-5 overview
60 minutes	Ability-memory interpretation methods
60 minutes	Ability-memory interpretation factors
10 minutes	Summary and conclusion

About the Presenter

Dr. Kelly Lee is a licensed psychologist in Texas and clinical faculty member at Texas A&M University. She graduated with her doctorate in counseling psychology at the University of Houston in 2016 and her research and clinical interests are in psychoeducational assessment and assessment supervision.

Disclosure

Financial: Kelly Lee is an employee of Pearson Clinical Assessment.

Nonfinancial disclosure: There are no relevant nonfinancial relationships to disclose.

NCS Pearson, Inc., the sponsor of this webinar develops and distributes assessments and intervention tools for speech-language pathologists, occupational therapists, and psychologists. This offering will include information that pertains to the effective and appropriate use and interpretation of the Wechsler Adult Intelligence Scale (5th ed.; WAIS-5) and Wechsler Memory Scale (5th ed.; WMS-5). No other assessments will be discussed during this presentation.
