

Comprehensive Test of Phonological Processing–Second Edition (CTOPP-2): Administration, Scoring, and Interpretation

Presented by Nancy Lamb, Ed.S, ABSNP

Date: Thursday, September 17, 2026

Time: 9:00 a.m. – 12:45 p.m. ET

Delivery method: Live webinar

Instructional Level: Intermediate

Sponsored by NCS Pearson, Inc.

Course Description:

This half-day webinar covers the CTOPP-2, a tool for assessing phonological processing in examinees ages 4:0–24:11. Participants will learn CTOPP-2's theoretical basis—phonological awareness, memory, rapid naming—and these factors contribute to reading development. The webinar will review standardized administration, scoring, practice for subtests, and interpretation of score patterns. Guidance for using scores, SEM, and classifications ethically and securely will be included.

Learning Objectives

By the end of this webinar, participants will be able to:

1. Describe the components of the CTOPP-2
2. Describe administration and scoring of the CTOPP-2 subtests and composites
3. Discuss interpretation of composite and subtest score patterns, including common profiles associated with reading difficulties

Time-ordered Agenda

60 minutes	CTOPP-2 foundations and framework
90 minutes	CTOPP-2 administration and scoring
60 minutes	CTOPP-2 interpretation and application

About the Presenter

Nancy is a seasoned school psychologist with a career that spans over two decades. She has worked in a variety of settings, including public, independent, and charter schools in urban and suburban areas. Nancy has experience building and delivering a variety of professional development to support understanding of neuropsychological development, childhood assessment, and interpretation of data. These valuable learning experiences aim to empower school personnel to better support the academic, social, emotional, and behavioral needs of the students they serve.

Disclosure

Financial: Nancy Lamb is employed by NCS Pearson, Inc.

Non-financial disclosure: There are no relevant non-financial relationships to disclose.

NCS Pearson, Inc., the sponsor of this webinar, develops and distributes assessments and intervention tools for speech-language pathologists, occupational therapists, and psychologists. This offering will only include information that pertains to the effective and appropriate use and interpretation of the Comprehensive Test of Phonological Processing (2nd ed.) published by PRO-ED. Distributed by NCS Pearson. No other assessments will be discussed during this presentation.

Eligibility

- Those requesting to earn ASHA CEUs must meet at least one of the following eligibility criteria:
 - Is an ASHA Member (includes Life Member and International Affiliates)
 - Holds the ASHA Certificate of Clinical Competence (CCC)
 - Is licensed by a state or provincial regulatory agency to practice audiology or speech-language pathology
 - Is credentialed by a state regulatory agency to practice audiology or speech-language pathology
 - Is credentialed by a national regulatory agency to practice audiology or speech-language pathology
 - Is a Clinical Fellow supervised by someone who holds the ASHA CCC
 - Is currently enrolled in a master's or doctoral program in audiology or speech-language pathology

Permission for Pearson to Share Information to the ASHA CE Registry

- By selecting YES on the registration link, you agree that you are a current ASHA CE registrant and grant permission to Pearson to share your identifying information to ASHA Continuing Education Registry.
- By selecting NO on the registration link, you agree that you do not want Pearson to share your identifying information for the ASHA CE registry, and you will maintain your own CE records.

Earn 3.5 CPD Credits

"Pearson is approved by the National Association of School Psychologists to offer continuing education for school psychologists. Pearson maintains responsibility for the program."

NASP Approved Provider # 1010

Registration Link: To be provided upon payment

Assessment of Learning Outcomes

The Continuing Education certificate requires completion of a self-assessment/reflection course evaluation.

Qualified Professional Enrollment | \$113.50 per person

Attendees need to meet our [Level B qualification](#). Attendees who are not seeking continuing education credit may receive a certificate of attendance.

Attendance Requirements

Pearson maintains responsibility for this program and its content. Full attendance is required to receive a Continuing Education certificate—partial credit is not awarded. No credit will be given to participants who are more than 10 minutes late at the beginning of the session or leave early.
