

Even superheroes have a *budget!*

You're busy, we get it, and building budgets can be harder than leaping buildings in a single bound. The fourth edition of the Wechsler Individual Achievement Test[®] is launching this fall, so let us be your sidekick for this year's budget requests! We've got information that can help.

WIAT-4 goes beyond the what to uncover the *why*. Measure the key processing areas that drive achievement

Five new subtests

- **Phonemic Proficiency:**
Measures speed and accuracy of phonological manipulation
- **Orthographic Fluency:**
Measures speed of irregular word reading
- **Decoding Fluency:**
Measures speed of pseudoword reading
- **Orthographic Choice*:**
Measures recognition spelling skills
- **Sentence Writing Fluency:**
Measures speed of sentence composition

**Available on
Q-interactive[®] only*

Five new composite scores

- Phonological Processing
- Orthographic Processing
- Writing Fluency
- Reading Fluency
- Basic Reading (3 subtests)

Exciting scoring updates

- **Automated scoring of Essay Composition**—We trained our scoring system using thousands of WIAT essays
- **Simplified Sentence Composition scoring rules**—Cleaner, more objective scoring to give you greater confidence in the results
